

**Addendum1: AFCTPC0002D-REPAIR STATION
1/06**

FOR ALL REPAIR STATION PRODUCTS

"If this Purchase Order is for repair or overhaul, then acceptance of the purchase order will be deemed your consent to allow the FAA to inspect and observe any maintenance functions performed on behalf of Tube Processing Corporation facilities in accordance with Federal Aviation Regulations, 14 CFR Part 145.223 (b). If you do not consent to allow such inspection and observation by the FAA you are hereby directed to not perform any activity with this purchase order, immediately notify the cognizant TPC purchasing representative, and return all items associated with this purchase order to Tube Processing Corporation."

**** Acceptance of the purchase order also requires review of Terms and Conditions also located on this web page and all other applicable documents associated with this order.*****
