Ref Letter/EASA (D)2006 JH/L5/EASA.145.4950/17205

Subject: Continuation of EASA Part-145 approval

Dear Sir,

Following a positive recommendation from the **FAA** the European Aviation Safety Agency hereby confirms the continued validity of your EASA Part-145 approval until **1 August 2008**, subject to continued compliance with FAR 145 and the EASA special conditions as detailed in the Bilateral Aviation Safety Agreement (BASA) and associated Maintenance Implementation Procedures (MIP):

TUBE PROCESSING CORPORATION

EASA Part-145 Approval certificate reference number:

EASA.145.4950

You are reminded that you will be required to submit your next continuation paperwork package in accordance with the MIP-G which is available on our web site at www.easa.europa.eu

Yours faithfully,

J. Hall
Continuing Airworthiness Manager
