Attn: Mr. Robert Long - Quality Assurance Manager

SUBJECT: Supplier Approval

Dear Mr. Long:

Rolls-Royce had conducted Quality System audit at your facility on October 12-14, 2009. Your corrective action responses to our Process Improvement Requests have been approved. This letter serves as an approval to your Quality System.

Audit is only a sampling process and it does not alter your responsibility to provide parts and/or service complying with all requirements of Rolls-Royce. Thanks for your cooperation.

Sincerely,

Ramesh Jagasia
